Re: Andy Nuttall

To Whom it May Concern,

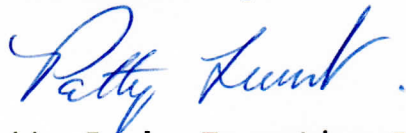

I am writing to provide a reference in support of Andy Nuttall's future employment opportunities.

Andy was employed at the Multicultural Heritage Society of Prince George in the position of Assistant Coordinator-Festivals from May to August, 1993. This year our festivals were even more successful as a direct result of Andy's work. He had varied responsibilities including publicity, entertainment, kids' activities, the organization and motivation of volunteers and assisting the Coordinator-Festivals. The success of Canada Day, 1993 in Prince George and the International Food Festival were two events made fantastic by the work of Andy Nuttall.

He performed competently in all capacities including a liaison role, interacting in a number of ways with various individuals and organizations involved to get performers organized and the festivities underway. Andy was instrumental in increasing the attendance of both the Canada Day Celebrations and the International Food Festival through his excellent publicity work. Andy is creative and works well with everyone. I strongly recommend Andy to be hired by anyone interested in hiring a person with excellent interpersonal communications, including cross-cultural communications, organization skills and creativity.

I would eagerly hire Andy again, should I ever have the opportunity. If you have any questions about Andy Nuttall, please don't hesitate to call me.

Yours sincerely,
